

PROJECT : DAS ISLAND 2012 ABU DHABI				
CONTRACTOR	CLIENT	CONTRAT OF LICENCE X-BLOC	PLACEMENT OF X-BLOC	ASSURANCE QUALITY AND CERTIFICATION
SIXCO	ADNOC	Delta Marine Consultants	SIXCO	IDMER

The Key Figures:

33 000 X-BLOC 4 m³.

The challenge :

Much of the works has been fully approved by Delta Marine Consultants but has been affected by important non-conformities due to a bad procedure of approval. Conflicts arose between project stakeholders.

The Mission given to IDMer:

- Expertise of damages.
- To teach and train diver teams.
- To lead the repairs and to implement an independent and reliable certification and approval procedure.

Résultats :

33 000 X-BLOC replaced or repaired in 5 months.

Project approved without reserve by the client based on our independent certification procedure.
